December 2021

## ALAN ACTON'S FUNDRAISING TRIP

For a week through stormy weather in late October Alan drove all over England, Scotland and Wales for VOW's next project of books for the orphanages. He generously gave his time and collected donations from his UK and international customers. He has raised nearly £2000 for VOW and more is promised.

Congratulations to Alan – the rain did not help at all! You are an inspiration!
